Roedl, Meyer-Reumann becomes Reality

Since early 2006 “**Meyer Reumann Legal Consultancy**” is cooperating with the German partner “**Rödl & Partner**”. Now the Ruler’s Office in Dubai, the Department of Economic Development and DIFC (Dubai International Financial Center) have turned the light on “Green” and **Roedl, Meyer-Reumann Middle East Ltd (R&M)** is on road.

Having a new name and a strong international partner we now will expand into 14 countries in the Middle East, which will change our standard from local presence to a Gulf wide knowledge centre. We will be happy to present to you our expansion plans into the Middle East, - which we assure you - are manifold.
